21<sup>st</sup>-century challenge? Build a new world.

21<sup>st</sup>-century education? Vaughn College.

Create your future at Vaughn by thinking above and beyond. Learn to integrate people and technology, communicate across disciplines and develop your big ideas into fantastic results. With a degree in engineering, technology, management or aviation from Vaughn College, you're well equipped for success in our wonderfully wired world. Vaughn's rigorous academic programs combine innovative thinking with exceptional internship and research opportunities to provide practical skills for expanding your possibilities. When you choose a Vaughn College program in engineering (including mechatronics, our newest degree), management, technology or an aviation-related field, you take a step above and beyond the ordinary.

## Challenging You to Rise Above

Vaughn College faculty members bring the real world into your classrooms—and challenge you to make it better. Not only are they masters in their academic specialties, our faculty are well-respected professionals who stay current in their fields, share their work experiences with you and make their business and industry contacts available when you seek internships or employment.

**Sandip Kaur, Class of '10**  
Bachelor of Science in Airport Management;  
Certificate, Air Traffic Control  
Framingham, Massachusetts

"The professors are extremely intelligent and have very diverse career backgrounds. Because they have worked—or are still working—in the industry, I can get their input and feedback concerning the work environment. If I have any questions, they are always there to help me."

# Your Career Trajectory . . . Up!

When it comes to careers, Vaughn College is a cut above the rest. Our placement rate of 93 percent means you're likely to have one or more(!) job offers upon graduation and a full-time position within six months. And you benefit from lifetime placement assistance through our Career Development Office.

Here's what some of our recent graduates are doing now:

- mechanical engineer at Northrop Grumman Corporation
- electronic technology specialist at Rockwell Collins
- pilot, Delta Connections
- computer graphic designer at TimeWarner Cable
- senior project engineer at Corning, Inc.

### Admissions

Apply to Vaughn by submitting a completed application, the non-refundable \$40 fee, transcripts of all academic work, a record of immunizations and either SAT 1 or ACT scores. International students also must submit TOEFL results, school records and the International Application Supplement, available from the Office of Admissions. Some programs may require personal interviews.

### Financial Aid

Vaughn College offers affordable educational value through competitive tuition and awards of financial assistance. Nearly 90 percent of Vaughn students receive some form of financial aid. For more information, contact the Vaughn College Office of Financial Aid at 1.866.6Vaughn (1.866.682.8446), extension 100.

### Housing

Vaughn is one of just a handful of colleges in New York to offer you a residence hall with "suite" living. You can either live in a two-person, three-person or four-person suite with a private bathroom. Our hall is completely wireless—and you'll have access to laundry, study and kitchen facilities in a common area.
