

College Greenlight unites a collective of educational advocates to enhance college enrollment and completion for underrepresented and historically underserved students. We make college more accessible by bridging information & opportunity gaps with free resources for community and school-based counselors. With our partners, we commit to reducing educational barriers to help more students fulfill their potential.

Partner with College Greenlight to Meet Goals for:

Your Students

Comprehensive college and scholarship search tools

Your Staff

Professional development opportunities and college advising resources

Your Organization

Expanded college partnerships and awareness

4 Ways to Improve Student Outcomes:

▶▶ Follow Industry Trends

Discover new college options, policy updates, counselor updates, and admissions trends directly from our partners

- CBO Newsletter
- Webinar Wednesday

▶▶ Expand Your Toolbox

Providing college access, admissions, and financial aid opportunities for CBOs

- Articles and resource lists
- Monthly wrap-up email
- Custom staff training

▶▶ Connect with Practitioners

Strengthen formal or informal partnerships with colleges and other CBOs or high schools

- Roundtables
- Summits

▶▶ Tell Your Story

Tell the admissions and access teams about your program offerings, visit opportunities, and recruitment efforts

- CBO Directory profile
- Social media or email blast
- Webinar
